Wow, its been a long time (4 months) OK, so we might have missed a chapter (we'll get that done ASAP), but at least you've got your long awaited FC fix

First of all we'd like to thank Oshi-manga for their efforts in scanning this series from the Japanese version up til now. As you may have noticed from the volume cover, this chapter was scanned from the French version (called Sleep up love story)

We'd also like to mention that for all of us, this is our first time scanning (we don't even have a group name yet), so sorry if the scans aren't the best quality. If you'd like to comment on our work, we can be found at [www.sleep4u.com](http://www.sleep4u.com), come and find us in the Futari Ecchi sub-forum

As usual, this is a free scanlation, scanned by fans for fans. If you have paid for this chapter, you've been ripped off! This chapter is NOT to be hosted on scanlation, we don't like thieves or scanners and we don't see why they should profit from our work.

We hope you have enjoyed our work

Here's Chapter 52 of our fan-filled ecchi/sex manual. Enjoy.

Thanks again to Oishi-manga for their tasty efforts in scanning this series from the Japanese up till now. As usual for us, we're working from the French version, "Shop-Up Love Story".

The scans aren't always the best, but we do what we can. We value translation accuracy and speed of release over perfect graphics, which is perhaps just as well given the printing quality of the French original. If you have any comments on our work, drop by [www.shopupme.com](http://www.shopupme.com) and find us in the Futari Ecchi sub-forum.

As usual, this is a free scanlation by fans for fans. If you have paid for this chapter, you've been ripped off!

This chapter is NOT to be hosted on narutofox.com. We see no reason why they should profit from our work-for-free.

We hope you enjoy our work.

And a big shout-out to Ghibliia, who is unable to work on this chapter due to schedule conflicts.

TENSELY, ADJACENT FLAT MUSCLES THAT FORM AN IDEAL FLAT MOUNT OF ADJACENT FLAT.

Here's Chapter 53 v. 2.0 of our fan filled ecchi/hen manga!

Thanks again to Oshimanga for their tusty efforts in scanning the series from the Japanese up till now. As usual for us, we're working from the French version, "Step-Up Love Story"

Huge thanks to deadsea, who has been helping us out with translating pages that are missing from our French rows. We're now working from Japanese rows for the girls, French rows for primary translation, and Chinese rows for filling in translation on pages missing from the French rows.

If you have rows in any other (preferably European) language, we'd like to have them too! If you have any questions or comments on our work, you can find us at the Futari Ecchi subforum at <http://www.stepupsmo.com>

Well, here we are again, sorry for the short delay, ceylce & I decided it didn't like him...  
~P

Anyway down to the issues

First off is the fact that last week someone released ch53 without our permission. We don't know who you are and we don't expect you to come forward, but in future please don't do it.

The chapter wasn't even ready when it was released, luckily we have released a version 2, and thanks to the efforts of our new Chinese translator doodies, we are able to provide this previously untranslated page. So check out [www.mergemodern.com](http://www.mergemodern.com) if you're interested.

Secondly, as has already been mentioned, we have a new team member on board. We'd like to welcome our new Chinese translator doodies. As some of you may know, the French team are missing a few pages from the original version and previously we had left them blank. But during the production of ch53v2, doodies came forward and offered to translate the missing pages from the Chinese. So now we are pleased to be able to provide complete translations.

Thirdly, we have now decided to use the Japanese ones for our scanlations. This is because the JP ones are much clearer. This means that they are easier to draw and work with, and there are no ugly word effects in the wrong form (the only down side is that the translations/gloss are much darker).

If you like to comment on our work, we can be found at [www.digitalsun.com](http://www.digitalsun.com), come and find us in the Fuuri Bocchi subforum.

As usual, this is a free scanlation, completed by time for time. If you have paid for this chapter, you've been ripped off.

This chapter is NOT to be hosted on scanlators, we don't like thieves or scammers and we don't see why they should profit from our free work.

We hope you have enjoyed our work.

Another week, another chapter!

This week you may notice that some of the sound effects are in English and some aren't. Sorry if this created any inconvenience, it was just a little experimentation on my (Mibelle's) part (we're all still new to this, so we're still figuring out what works best). Thanks go out to Mighty\_Highland, who caught a couple of missing commas in our translation, and helped with computing the Spanish translations to the French ones.

As some of you may know, Oshi-no-manga has teamed up with Manga scans and have started releasing again from where they stopped! They are translating from the Japanese and it would appear that they are doing HQ scans (our credits page is better though :P)

We may have started doing this project because it appeared to have stalled, but we've decided to keep going for as long as everyone wants us to (or until we are over taken) and we thank you for your support!

If you'd like to comment on our work, we can be found at:  
[www.futari-ecchi.com](http://www.futari-ecchi.com) - come and find us in the Futari Ecchi subforum!

As usual, this is a free scanlation, scanlated by fans for fans. If you have paid for this chapter, you've been ripped off!

PART.57 THIS VALENTINE, YOU'RE MY DEAREST♡

VALENTINE IS A SAINT OF THE CHRISTIAN CULT. IN FACT, VALENTINE DIVY WAS THE ONLY ONE THE PAGAN PEOPLE NOTICED THAT ON THAT DAY IS KNOWN AS HIS BIRTHDAY. HE WAS BORN ON FEB. 14TH, AND THE WALLE OFFERINGG GIFTS TO ITS PARTNER. THAT'S ITS CUSTOM FOR BOYS TO MAKE PRESENTS TO THE GIRL HE LIKES ON THAT PARTICULAR DAY.

SAINT VALENTINE, IN THIS GENERATION, THERE'S NO NEED TO EXPL, AN MUCH ABOUT THIS OCCASION... IT'S THE "GOLDEN" FOR BOYS AND GIRLS.

In fact, most chocolate contain substances similar to drugs, called "Phenethylamine" or PEA, in short PEA is a substance that can stimulate people's pleasure systems of the brain refer to Dopamine. If PEA is shot into monkeys' anal monkey would present actions that encourage sexual intimacy. The same thing happens to a woman, if it's been given a shot with PEA.

On the other hand, 66% of girls say they were the ones that dumped their partner, compared to only 30% of guys who say that. 35% of guys would just say "We broke up mutually." (These guys never actually realize that they were dumped. (sigh))

In a relationship, 66% of guys think that they broke up because the guy hated them, but only 10% of guys actually believe their ex's reasoning didn't work because the girl dumped him. (From Our Student Survey)

**SPECIAL PART. THE ULTIMATE SPERM BATTLE!!**

\* "Auto-reflexuous" is the body fluid that flows down the body along with other old unused cells.

That is the way things work...

- ① The "Blocker" - to prevent other sperm from infiltrating
- ② The "Killer" - to eliminate other sperm
- ③ The "Egg getter" - to fertilize the ovum

— These 3 different sperm, each have their own objective to accomplish.

From "The sperm's battle" (GLADADASHO publisher)

Take note that the ovulation days period vary from month to month, so... it's **better** to practice safe sex if none of you want to get anybody pregnant, that is!

PART.60

MAKE ME FEEL WITH WORDS ♡

(Yura-san's Appropriate Dating Course)

Romantic Dinner ← Movie ← Café

↓  
Walk in a Park

↓  
LOVE HOTEL

CAN'T WE HAVE A CONVERSATION IN A LOVE HOTEL?

IT'S MORE APPROPRIATE IF WE CAN HAVE A LITTLE CONVERSATION FIRST. THAT WAY THE ATMOOSPHERE WOULD BE BETTER ♡

To girls, things like "having a drink in a cafe" and "watching a movie" are just like the prelude to a movie. It makes them feel more natural and passionate when it's time to do "it" ♡

EEEE - HE'S ONLY CONCERNED ABOUT THE LOVE HOTEL.

IF YOU WANT SOMETHING TO EAT, WE'LL JUST EAT FROM SERVICE...

HOW ABOUT WE SPEND THE WHOLE PM IN A LOVE HOTEL?

YOU CAN'T TAKE OFF YOUR SHOES WE CAN'T PUT THEM!

WELL THEN...

For guys who don't understand how girls can talk on the phone or in a cafe for hours... Well it's because, for girls, that's their way of showing true love or friendship.

WHAT?  
HOW IS  
WHAT?

HOW  
IS IT?

Mm...

WELL,  
TELL ME...  
HOW DOES  
IT FEEL?

HOW  
COULD  
THINGS  
TURN  
OUT LIKE  
THIS?

9.8  
9.9  
10  
DON'T  
YOU SAY WE  
SHOULD TALK  
MORE?

<Women can't hear low-voice-whispering at-the-ear?>

Humans are sensitive to the whispering voice of the opposite gender, getting aroused from it. Girls are even more sensitive than guys in this matter.

A study in America showed that, in a group of 10 year-old children, girls can recognize words and sentences better when whispered, maybe because a female's brain is more keen to linguistic matter.

From "Differentiate boys and girls by the brain" (KOHJIAN publisher)

In "soft" SM methods...

There's a method for guys called

**「Word Punishment」** or **「Word Torment」**.

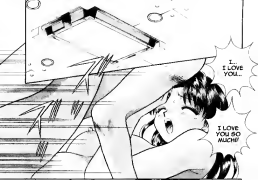

While doing "it", keep asking the girl those embarrassing questions.

This should stimulate her shyness, thus putting more feeling into "it".

In a person's brain, there is a connection of sexual desire to excitement. Thus, you can stimulate one's lust through memories, experiences and language

SO...  
BUT...

I THINK HE  
MIGHT HAVE  
FOUND A WAY TO  
FIX IT LONG-  
TERMS WHEN  
PEOPLE START

HE  
SOUND  
TO IT  
ALREADY

EVEN  
THOUGH... THE  
CONVERSATION  
WAS  
DISAPPOINTING  
FOR ME...

BUT  
WHAT?

YEAH-  
YEAH-  
♡♡

IF I CAN  
WORK TOGETHER  
WITH MARIKOTO-  
SAN, I'M SURE  
I CAN OVER-  
COME EVERY-  
THING ♡

GO FOR US  
FORWARD WE  
CAN MOVE  
TO ENJOY OUR  
FUTURE.  
♡

LIKE IN SOME  
PLACES OF  
JAPAN, THE  
MALE BIRD  
WILL ONLY  
LIVE LONGER TO  
THE FEMALE.

ENDING BUT  
THE SEASON  
FOR BIRDS.  
THE MALE  
WILL MAKE A  
SPECIAL CRIP-  
PLE-LOOKING TO  
ATTRACT THE  
FEMALE.
